

Colorado Department
of Public Health
and Environment

APCD Internal Collaboration:
Exceptional Events

Room B2D: Wednesday, January 3, 2018 from 10:00-11:00 AM

1. Outstanding PM10 EEs:

EPA Due Date	Final deadline accounting for public Comment	Sample Date	Location	Proposed Public Comment Date	EPA Submittal Date	Status
9/30/18	8/30/18	8/22/15	Lamar			
3/31/19	2/28/19	3/22/16	Alamosa			ON HOLD
6/30/19	5/30/19	4/5/16	Alamosa and Lamar			ON HOLD
3/31/20	2/28/20	3/23/17	Pueblo			ON HOLD

- a. Is the 8/22/15 one done? When going to PC?
 - i. Review logistics of compiling EE TSDs/Documentation
- b. All others on hold pending additional events (review Tracking Sheet briefly)
2. Updating Lamar Climatology to address precipitation issue - Dan's status
3. Ozone Event Status (Wildfire Influence)
 - a. EPA needs to be concur before July 20, 2018
 - i. Timeline needs to include EPA review and 30-day public comment period
 - b. 9/2/17 and 9/4/17 events
 - i. Q/d criteria and needed supporting evidence (Tier expectations)
 - ii. Report vs appendix format
 - iii. Section/report responsibilities
4. Mitigation Plans: Lamar, Alamosa, and Denver (ozone/wildfire) are all due 9/30/2018 - Rick Coffin is preparing documentation but will need support from TSP staff
5. Next catch up meeting timing (meet monthly until ozone events are finished?)
